Re: Paul Court

Dear Bob:

You have contacted me with regards to placing final topcoat of blacktop on the above referenced road. Highway Department policy is to not allow final topcoat until all construction on a road has been completed and all major size trucks will no longer be using the road. Therefore, no final paving of Paul Court can be done at this time.

I will contact you after all final inspections of your properties have been done to inform you when you can proceed.

If you have any questions, please feel free to contact me.

Very truly yours,

Henry J. Kroll
